

Check your school bus information online

Every year, we carefully review and plan bus routes and timing for the new school year, so it is very important to check your bus stop information before a new school year begins. You can check online anytime using the BusPlanner Web Parent Portal. Follow the instructions below to get started.

Bus route information is finalized by August 15. Our Transportation staff are available to help year-round if you have questions.

1. Go to <https://transportation.avrce.ca> and click on "Parent Portal."
2. Create a login and password.
You will only need to do this the first time you visit the updated BusPlanner Web Parent Portal.
3. Follow the instructions on screen to link your child(ren) to your login information.
You will only need to do this step once for each child. After this, your child(ren) will stay connected to your login as long as they are registered for school in AVRCE and eligible for transportation.

To complete this step, you will need the following information for each child you wish to connect to your login:
 - **Student ID.** This is a 10-digit number starting with 3, located on your child's report card, You can also find it in the PowerSchool Parent Portal.
 - **Date of birth**
 - **School attending in 2020-21**
 - **Street number as provided to the school.** If you live at 123 Main Street, this is the number 123 with no spaces before or after the numbers. Do not include apartment/suite number, or any special characters.
4. Click on the box that says "I am not a robot," then follow the instructions to sign in.

If your home address has changed or you have questions, contact our Transportation staff at transportation@avrce.ca or 902-538-4641.
